## Animal Care Internship Application

Thank you for your interest in becoming an animal care intern at Peaceable Primate Sanctuary. This internship's "goal" is to provide a quality mentoring experience for pre-professionals pursuing a career in animal science, conservation, animal care facilities or animal rehabilitation. This internship is a great opportunity for an introduction to primate husbandry, behavior and the daily operations of a non-profit sanctuary. You will be working alongside experienced care staff to gain valuable skills and knowledge about primates. Peaceable Primate Sanctuary is a non-profit organization and therefore, this is an unpaid internship.
